

# Tanche - B.S.P.P.

---

## Sonic madness and blastbeat shamanism

The band's first full length album B.S.P.P. is an abstract of their most recent sonic investigations during the last year. After creating and collecting first drafts during a one week residence in an old cottage amidst snow and mountains, the quartet refines the new repertoire continuously and brings it finally down on to a 12" proper, recorded at their own built studio Club Dänemark. More stopover than conclusion, B.S.P.P. attempts various flows within chaos and discusses the ambiguities of comfort and suffering. With this debut Tanche not only strives towards a palette of sounds and energy for a careful listener, but also inflicts craziness, demeter and love, really.

B.S.P.P. is presented and released by the group's own creativity brand "Club Dänemark" which operates as collective, organizer, label, agency and happening space.

### Tracklist

- |                        |       |
|------------------------|-------|
| 1. Kognitive Dissonanz | 06:32 |
| 2. Demeter             | 11:50 |
| 3. Flamingo            | 07:28 |
| 4. Hieronymus          | 16:28 |

*All music written, arranged and played by Tanche*

### Details

Recorded by Amadeus Fries at  
Club Dänemark, Luzern  
Mixed by Elischa Heller  
Mastered by Roberto Viso  
Artwork by Noah Krummenacher  
Released on 12" Vinyl LP and digital  
Out everywhere 10<sup>th</sup> April 2020

### Band

Christian Zemp – guitar  
Chadi Messmer – bass  
Elischa Heller – electronics  
Jonas Albrecht – drums

*"This mystic group is truly exciting. A concentrated load of sounds; dense, wide, loud, adhesive. Somehow noise, but also rock, somehow soundart, but electronic as well. Something new is sounding; a new energy, a new quest full of tonal experiments."*  
Gamut Festival
